***L'CHOL ISH YESH SHEM  
EVERY ONE HAS A NAME  
A KADA UNO I UNO UN NOMBRE***

On July 23, 2009 the Jewish Community of Rhodes will be unveiling the

**"Book of Memory"**

the listing of the names of all the victims of the Holocaust from Rhodes and Cos.

The book will be permanently displayed in the courtyard of "Kahal Shalom" as a reminder of the once vibrant community.

Join us as we pay a humble tribute to the men, women, and children, whose names still have a resonance in our hearts.

We need your support to continue on our mission: to "never forget" and to stand up for tolerance not xenophobia, for "convivencia" not discrimination.

The events will take place from the 23-26 of July 2009. For further information regarding the programme please contact: [jcrhodes@otenet.gr](mailto:jcrhodes@otenet.gr)
